

Maitland Valley
Family Health Team

FAMILY PHYSICIAN WITH ADDITIONAL SKILLS: OBSETRICS, EMERGENCY MEDICINE OR ANAESTHESIA

The Alexandra Marine and General Hospital (AMGH) and the Maitland Valley Family Health Team (MVFHT) are located in the beautiful community of Goderich on the shores of Lake Huron.

Sandy beaches, famous sunsets, a heritage downtown, and leafy lakeside neighbourhoods combine to make Goderich a special place. Goderich boasts some of the finest recreational facilities, and organizations in the area. These include indoor and outdoor recreation, fitness centres, numerous nearby golf courses, watercraft marinas, and dozens of hiking trails, just to name a few. Cultural opportunities also abound with a vibrant local theatre scene, numerous annual music festivals, and the internationally known Goderich Celtic Roots Festival. Nearby, professional theatres are also found in the neighbouring communities of Stratford, Blyth and Grand Bend. Goderich is also home to a growing local food trade, craft beverage industry and hosts a weekend summer farmer's market.

AMGH is the largest provider of acute care hospital services in Huron County, and the Maitland Valley Family Health Team is the largest Primary Care facility in the County.

AMGH offers a range of services including 24-hour emergency, intensive care, obstetrics, general surgery, inpatient adult psychiatry and multi-site community mental health. The organization hosts a comprehensive range of specialty and regional healthcare services such as a renal dialysis satellite and Telestroke.

The Maitland Valley Family Health Team is a collaborative team in a facility offering both primary care and health care programs and services.

The ideal candidate will be an individual who can provide service at AMGH and maintain a rostered patient base at MVFHT.

Specifically, we are seeking candidates with specialties in, Anesthesia, Obstetrics and Emergency Medicine.

Come to Ontario's West Coast and enhance your lifestyle while fulfilling your needs for a successful career in medicine.
